Art Colours

Colour • Shade • Blend • Express

Every Colour
Tells
a Story!

At a Glance

Class Band	3rd – 5th Class
Scope Alignment	Printed box of a minimum of ten non-toxic wax colour sticks.
Teacher Note	Build pressure control before free colouring.

What the Kit Provides

- Minimum ten wax colour sticks in assorted colours
- Each approx. 7.6 mm × 55.75 mm
- Smooth-laying, non-toxic, break-resistant wax
- Paper wrapping for a clean grip

Learning Objective

Develop pressure control, shading and blending, and self-expression through colour.

Suggested Duration

15 – 30 minutes

Materials to Use With

Drawing sheets; Water Colour Set (Item 8) for wax resist.

Step-by-Step Teacher Guide

Simple Steps, Big Learning!

Pressure ladder

Colour five boxes from lightest to darkest.

Colour neatly

Outline first, then fill with even strokes.

Shade

Light side near the sun, darker side away.

Blend

Layer two colours and smooth with a tissue.

Wax-resist magic

Paint a watery wash over a wax drawing.

Colour my feelings

Draw today's mood in colours and explain.

Teacher Prompts

- Can you press lighter or harder?
- Where is the light coming from?
- Which two colours will you blend?
- Why did you choose these colours?

Expected Learning Outcomes

- Pressure control, wrist movement and focus develop.
- Children understand light, shade and colour mixing.
- Colour becomes a way to express ideas and feelings.

Quick Assessment

- Controls pressure from light to dark.
- Shades to show light and dark sides.
- Explains colour choices.

Safety and Care

- Keep wrappers on for a clean grip.
- Store away from heat and direct sun.
- Do not put the colours in the mouth.

Confident Learners,
Brighter Tomorrows
